INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This Information Disclosure Statement is filed in accordance with 37 C.F.R. §§1.56, 1.97 and 1.98. The documents listed on the enclosed form PTO-1449 may be deemed material to the patentability of the claims of the captioned application and are made of record to assist in their examination. The Examiner is requested to fully consider each listed document and to independently ascertain its relevance.

The submission of this Statement is not a representation that a prior art search has been conducted or that no other information that may be material to the patentability of the claims of this application exists. Moreover, the submission of this Statement is not an admission that any of the listed documents constitutes prior art against the application claims. Applicants reserve

the right to challenge the designation of any of the listed documents as prior art, and to take any appropriate action to antedate or otherwise remove any of the listed documents as a prior art reference against the application claims. In particular, and without limitation, applicants specifically reserve the right to challenge the designation as prior art, should it be made, of any of the attached documents.

Respectfully submitted,

Dated: April 26, 1999
